

# MATERIAL PROPERTY DATA SHEET

## PURA FLUSH SIDING

|                                    |  |
|------------------------------------|--|
| Composition                        | 70% sustainably grown softwood fiber; 30% thermoset resin                      |
| Construction                       | High-pressure laminate with closed-cell surface                                |
| Surface                            | Smooth, matte finish; one-sided  |
| Color                              | 8 Wood Decors; 8 Solid Colors; special order colors available                  |
| Length                             | 10'  |
| Width                              | 7"   |
| Thickness (siding only)            | 5/16"  |
| Thickness (installed w/clip)       | 7/16" + 3/4" furring strip (minimum) depth                                     |
| Packaging                          | 4x10' planks/pack  |
| Coverage (piece)                   | 5.88 ft <sup>2</sup>   |
| Coverage (4-pack)                  | 23.52 ft <sup>2</sup>  |
| Coverage (per 100ft <sup>2</sup> ) | 4.25 packs   |
| Weight (square foot)               | 2.5 lbs  |
| Weight (piece)                     | 14.7 lbs   |
| Weight (4-pack)                    | 58.8 lbs   |
| Fire rating                        | Class A (ASTM E84)   |
| Linear expansion (10' piece)       | 1/4"   |
| Maintenance                        | Minimal maintenance required; electron beam curing creates closed-cell surface |
| Warranty                           | 10 year on product performance including color stability                       |

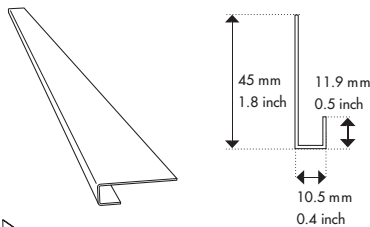

## OUTSIDE CORNERS

|           |                   |
|-----------|-------------------|
| Length    | 10'               |
| Width     | 2"                |
| Packaging | 5 pieces per pack |
| Color     | Matched to siding |

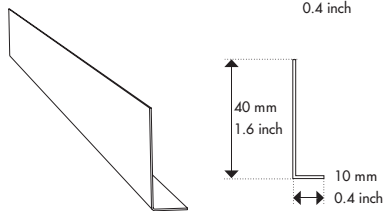

## FINISH PROFILES

|           |                   |
|-----------|-------------------|
| Length    | 10'               |
| Width     | 1-3/4"            |
| Packaging | 5 pieces per pack |
| Color     | Matched to siding |

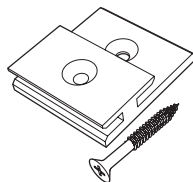

## SUPPORT PROFILES

|           |                   |
|-----------|-------------------|
| Length    | 10'               |
| Width     | 1-9/16"           |
| Packaging | 5 pieces per pack |
| Color     | Matched to siding |

## UNIVERSAL CLIPS

|           |  |
|-----------|--|
| Depth     | 5/16"  |
| Packaging | 200 pieces per box<br>(includes stainless steel screws for wood furring) |

## HPL SCREWS

|        |                   |
|--------|-------------------|
| Length | 1-1/2"            |
| Width  | 3/16"             |
| Color  | Matched to siding |
